

# William Darker

- > Information Technology Student
- > Rowing Coordinator

## SUMMARY

I am a third year Information Technology student with a passion for problem solving. Learning is a habit for me as I am constantly looking for new and interesting problems to solve. I love working in team environments having thrived as a rowing coordinator creating positive cultural change and improving my communication and leadership skills.

## EDUCATION

Feb 2023 – December 2025 (Expected)

**University of South Australia**

### Bachelor of Information Technology (Software development)

Developing my ability to find, troubleshoot and solve increasingly complex problems in the digital realm.

July 2019 – June 2020

**Academy of Interactive Entertainment**

### Certificate III in Information Technology (Game development)

Exploring the world of games programming and working collaboratively to design and build software.

## EXPERIENCE

April 2022-Current

**Pulteney Grammar School**

### Female rowing coordinator

Managing the girls program including creation of training programs and overseeing the coaching of all female crews through both personally and through the professional development of other coaches.

- > Rowing coach: April 2022 – October 2022
- > Junior rowing coordinator: October 2022 – December 2024
- > Interim director of rowing: December 2024 - January 2025
- > Female rowing coordinator: January 2025 - Current

March 2022-January 2024

**Gym and Fitness**

### Web developer

Working with the marketing team to manage a suite of websites across several brands and the creation and management of in-house software tools. Working mainly with JavaScript and with some Ruby and Python.

0411 018 314

william.darker2003@gmail.com<https://billdarker.me>

June 2022-March 2023
